MEMORANDUM FOR: Project Director

SUBJECT: Shipment of First Three Missions to the
25X1C8a [REDACTED] and Processing of the
Final Five

25X1A9a This afternoon [REDACTED] of HTAUTOMAT,
and I agreed on the following procedures:

25X1A5a1 1. Operations will deliver the last five missions of
the original eight to [REDACTED] leaving here at 10:00 am Monday
morning for making of duplicate negatives.

25X1C8a 2. The same plane will bring back and deliver to
HTAUTOMAT the first three missions in the form of duplicate
negatives. This material will be inspected and prepared for
transshipment to [REDACTED] on Tuesday, 9 October.

25X1C8a 3. Arrangements are being made for departure of this
material to [REDACTED] at noon on Wednesday, 10
October. It is agreed that the responsibility for handling of
this material after being delivered to HTAUTOMAT is in
HTAUTOMAT, not AQUATONE.

25X1A6a 4. Instructions were reviewed with our [REDACTED] TALENT
Control Officer on Friday evening at Headquarters. A cable is
being prepared to confirm his (the TALENT Control Officer's)
instructions, including a precise statement of arrival time and
25X1A6a means of transference of the materials to [REDACTED]

5. In view of the fact that an AQUATONE courier is going back to Europe, it is arranged that he will accompany the materials. In view of the problems faced by HTAUTOMAT in getting funds to pay for this delivery, it is recommended that AQUATONE pay the freight bill if necessary.
